

Safe & Sustainable Impact Collective

We envision a healthy and sustainable planet, where all people and communities are equally protected from harm. A safe and sustainable future includes the right to clean air, water, land, and food; environmental justice, Just Transitions, and gender equality.

Asian Peoples' Movement on Debt and Development (APMDD)

\$75,000

APMDD is an alliance of peoples' movements, community organizations, coalitions, and networks pushing for economic, political, cultural, and environmental transformation.

CLIMA Fund

\$100,000

The CLIMA Fund is a collaboration between Global Greengrants Fund, Grassroots International, Thousand Currents, and Urgent Action Fund for Women's Human Rights. Together, they mobilize philanthropy by investing in on-the-ground leaders behind the most sustainable and effective solutions to our global climate crisis.

Climate Justice Alliance

\$100,000

CJA promotes community resilience, economic equity, and climate stability by creating new jobs, paying fair salaries, and putting workers formerly employed by extreme energy industries to work in ecosystems that reduce pollution and cost.

Front and Centered

\$100,000

Front and Centered is the largest coalition of communities of color-led climate justice groups in the Pacific Northwest. They're working for a future where all communities are healthy, safe, and resilient, and where everyone has equitable access to the building blocks of opportunity.

Future Coalition

\$75,000

March On/Future Coalition is a coalition of over 400 organizations mobilizing to engage youth voters through digital organizing and livestreams featuring BIPOC voices at the frontline of the climate justice movement.

Global Campaign to Demand Climate Justice

\$50,000

The Global Campaign to Demand Climate Justice brings together over 200 people's movements and organizations worldwide, primarily in the Global South. They mobilize grassroots organizations on the frontlines of the climate crisis and international groups as allies, ensuring that people's collective voices are heard in halls of power and streets around the world.

Grassroots International

\$100,000

Grassroots International is a global grantmaking and social action organization that partners with social movements in the Global South and progressive funders across the country.

Gulf Coast Center for Law and Policy

\$100,000

Gulf Coast Center for Law and Policy advances structural shifts toward climate justice and ecological equity in Gulf Coast communities of color on the frontline of climate change.

Indigenous Environmental Network

\$100,000

Indigenous Environmental Network is a North American network of Indigenous Peoples fighting for environmental justice and healthy communities.

Maria Fund

\$100,000

The Maria Fund distributes funds to organizations and initiatives that are driving critical work on the frontlines to meet immediate relief needs for the building of an equitable Puerto Rico.

Safe & Sustainable Impact Collective

Movement Generation

\$100,000

Movement Generation inspires and engages in transformative action towards the liberation and restoration of land, labor, and culture through the leadership of low-income communities and communities of color.

New Economy Coalition for Black Solidarity Economy Fund

\$100,000

The Black Solidarity Economy Fund is a brand new fund housed within New Economy Coalition (NEC), an S&S grantee. In a grantmaking process led by Black organizers, the Fund distributes resources to Black-led climate justice organizations throughout the country, building the solidarity economy and working toward a Just Transition.

Power Shift Network

\$100,000

Power Shift Network mobilizes the collective power of young people working to combat climate and environmental injustice, stop dirty energy projects, divest from fossil fuels, fix democracy, and build the just, clean-energy powered future young people need.

Public Participation Africa (CAPPA)

\$75,000

CAPPA works to advance human rights, challenge corporate abuse of natural resources, and build community power. Their Make Big Polluters Pay campaign launched a liability roadmap as a tool for policymakers to hold big polluters accountable for harm caused to people and the planet.

Sogorea Te' Land Trust

\$100,000

Sogorea Te' is an urban Indigenous women-led land trust that facilitates the return of Indigenous land to Indigenous people through the practices of rematriation, cultural revitalization, and land restoration. Sogorea Te' calls on native and non-native peoples to heal and transform the legacies of colonization, genocide, and patriarchy.

SustainUS

\$75,000

SustainUS is a youth-led organization advancing justice and sustainability by empowering young people to engage in advocacy at the domestic and international levels.

Women's Earth and Climate Action Network (WECAN)

\$100,000

WECAN is a solutions-based organization established to engage women worldwide in policy advocacy, on-the-ground projects, direct action, trainings, and movement building for global climate justice.

2021 Total Funding: \$1,550,000
